Spring 2016 - Spring 2019	University of Oregon	B.s Computer & Information Science
Fall 2014 - Winter 2015	Portland Community College, Oregon	Transferred

EMPLOYMENT HISTORY

Period	Company	Title
October 2019 - March 2021	FPT Software Da Nang	Jr Web Developer
April 2021 – Jul 2022	SmartDev LLC, Da Nang	.NET Developer

INTRODUCTORY SUMMARY

I am a highly motivated software developer with a background in Computer Science. It has always been my curiosity to figure out how I can use programming skills to solve real world problems and subsequently create useful products for other human beings. I always strive to constantly improve my skills, extend my knowledge, to be a better developer and a forever-evolving human being, in my career and in life. I'm currently looking to gain more exposure in web development product.

Technical Skills	Experience duration	Last Used
